Bryan Outlines Party Platform of the Democrats

Lincoln, Neb., June 28.—The Democratic platform to be adopted in Kansas City will be:

1. Opposing in plain terms the permanent occupation of the Philippine Islands by the United States, and will promise ultimate independence to the Philippines. This declaration will be clear and explicit. There will be no dispute in the convention on this point.

2. There will be a plank specifically favoring the free coinage of silver and gold at the ratio of 16 to 1. This will not be for the first plank in the platform.

3. The platform will assert the sovereign right of the National Government to issue money, whether coin or paper, and will oppose the bestowal upon National banks of the power to issue and control the volume of paper money for their own benefit.

4. The platform will declare that private monopolies are indefensible and intolerable. It will favor Federal legislation which, while not interfering with the right of each State to make its own incorporation laws and to fix the terms upon which foreign corporations may do business within its own borders.

5. The platform will contain a vigorous expression of sympathy for the South African republics in their struggle for liberty and independence.

6. The platform will denounce militarism and oppose the maintenance of a large permanent standing army. The establishment of colonies under the American flag will also be strongly condemned.

7. There will be a plank opposing government by injunction, denouncing the blacklist, and favoring arbitration as a means of settling disputes between corporations and their employees.
